#### TO WHOM IT MAY CONCERN

**RE: REQUEST FOR INDUSTRIAL ATTACHMENT FOR NAFULA LYDIA REG. NO: BB07/SR/MN/4231/2017**

The above named is a bona fide student of Maasai Mara University, pursuing a **BACHELOR OF COMMERCE** in the **SCHOOL OF SCHOOL OF BUSINESS AND ECONOMICS**. She is currently in the third year of study.

The student is required to undertake a twelve (12) - week industrial attachment course to fulfill part of the requirements for the Degree programme. The attachment is intended to impart critical skills and knowledge related to the student's field of study, as well as provide her with an opportunity to put into practice the knowledge so far gained in the programme.

We therefore wish to request your organization to provide the student with an attachment opportunity during the **January-March 2021** period. The student is expected to adhere to all the rules and regulations governing your organization.

Upon completion of the attachment, we would greatly appreciate if you would assess the student by completing a Confidential Supervisor's Assessment form which will be availed to you. A University supervisor will also assess the student's progress in the course of the attachment period. Both assessments will form the student's final grade for the industrial attachment course.

We will appreciate the support accorded the student.

**Yours Sincerely,**
